

Be Our Exhibitors

Business Opportunities

Exhibitors will come from industry associations, equipment providers, consulting firms, technical services providers and investment and financial institutions all over the world. The aim is to show the characteristics of their organizations or companies, so to accelerate cooperation and to seek the right business partners between international and domestic regions.

Details and Registration

It would display concrete examples of the utility project results, new technologies and new equipments of utility industry, large and small constructing and repairing machines, precision instruments and major projects. Exhibition will be open from 14 to 16 November 2014.

Expected booth number will be more than 500 with over 300 exhibitors in a 13,000 square meters area. Moreover, over 10,000 visitors are estimated. Almost 50 enterprises confirmed to be our exhibitors are respectively from diverse backgrounds like Information Technology, Radar and Trenchless Technology etc.

To apply for the exhibition, please fill in the registration form at the back this pamphlet or download the form via our website at:
